NOTES

FREQUENTLY ASKED QUESTIONS

Does the hardware for installation come with the grips?

Yes, all of our grips come with the correct hardware to install them. If you need a replacement set of hardware, these can be purchased on the website and are listed on Page 59 of this catalog.

Do any of the Tactical Deluxe series grips come with a plug?

The Tactical Deluxe Grips (SKUs 4045, 4055, 4025, 4035, 4020, & 4021) do not come with a grip plug. Plugs for these grips will be available in 2021, please check the website for current status. Refer to the Plug Reference Guide on page 62 to find the right plug for your grip.

What is the difference between the 4865 and 4865-short?

The MOSSBERG 500/590 TRI-RAIL FOREND comes in two sizes, use the following diagram to see where to measure.

The SKU 4865 is 6 15/16"

The SKU 4865-SHORT is 5 13/16"

How do I become a dealer?

SUPPORTING THE COMMUNITY

ERGO participates in various sales throughout the year to show appreciation or bring awareness to causes close to our hearts. A percentage of proceeds for Awareness Sales are donated to foundations promoting treatment, care, or research. For more information on where contributions are made and how much is donated, log on to ergogrips.net during the month of each sale.
